## CREW Webcast to Look at Lean Manufacturing in the Body Shop

A new Collision Repair Executive Webcast will be presented Thursday afternoon with a panel discussion on Lean Manufacturing: Differentiation Through Improvements in the Vehicle Repair Production Process.

This CREW Webcast will be an innovative discussion on the benefits of lean processes and cycle time reduction in the collision repair industry. A distinguished panel of experts including Michael Giarrizzo, President & CEO of DCR Systems Accident Repair Centers, James Berkey, Director of Business Solutions, PPG Automotive Refinish., Rich Altieri, Senior Manager, Business Solutions, PPG Automotive Refinish, Robert Briselli, Strategic Planning Consultant, DuPont, and Paul Krause, CEO, Craftsman Auto Body, will share the stage with the CREW Webcast producers and presenters, Matthew Ohrnstein and Vincent Romans.

The online panel discussion, hosted by Fix Auto and presented at no charge, will begin at 11:00 am Pacific time. Those interested in attending must pre-register. Reserve a place [here](#).

This Webcast is a rescheduled presentation that was originally set to take place on March 15.
