## Collision Repair Executive Webcast to Host Panel on Going Green

©2008 by CollisionWeek. All rights reserved. No part of this publication may be reproduced or transmitted by any means without permission in writing from the publisher.

Collision Repair Executive Webcast (CREW) will present a "Going Green" edition at 11am PST on Thursday, September 18. A panel of experts will be presenting information about waterborne paint products.

The discussion will focus on converting to waterborne paint, including trends, issues and opportunities. The panel of experts joining the CREW Webcast includes Richard Farnan, Akzo Nobel; Brent Wallace, BASF; Fred Wissemann, DuPont; Doug Beuke, PPG; and Nick Bartoszek, Sherwin Williams.

CREW is a free presentation hosted by Fix Auto. The delivery format includes a Web-based visual presentation of the content, a simultaneous audio conference call and a capability for the participants to question the presenters. Matthew Ohrnstein, Symphony Advisors and Vincent Romans, The Romans Group, produce and present the bi-monthly, one-hour Webcast meeting.

There is no cost to participate in CREW but prior registration is required. If you are interested in joining a future CREW Webcast please call the CREW help desk at (714) 279-2023 or register at the CREW Web site at [www.crewwebcast.com](http://www.crewwebcast.com).
